Complaint No. 34/2023

6. LR of the OP submitted since the building is booked by MCD therefore, new connection is not feasible.
7. Heard both the parties and perused the record. From the perusal of evidence placed on record pleadings and after hearing both the parties it is transpired that complainant asked for new connection at House no. 559 (part), Moti Ram Road, Ram Nagar, Shahdara, Delhi-110032 vide application no. 8005919031, but respondent raised objection that premise is booked by MCD vide order no. as per letter no. EE (B)-II/Sh-N/2021/D-175 and EE (B)-II/Sh-N/2021/D-664. Respondent has already given connections in the same address at UGF, FF, SF and 3<sup>rd</sup> F at premises no. 559, Moti Ram Road, Ram Nagar, Shahdara and MCD has booked Mr. Vineet vide letter no. 111/B-II/UC/SH-N/2020 dated 09.10.2020.
8. Water and electricity are integral part of right to life. Hon'ble Supreme Court in the matter of Dilip (Dead) LR vs Satish, in case no. SCC online SC810 dated 13.05.2022 has held that electricity is basic amenity which a person cannot be deprived off. Even on the principle of law there should be equity before law and equal protection of law in the spirit of constitution. In the present circumstances, four connections at same address after booking by MCD has been released by OP and now other consumer applied for new connection at the same address but OP is rejecting him new connections on pretext of MCD booking. Therefore; the complainant who had applied for new connections at the same address cannot be deprived of his right to electricity.
9. We are of the view that the respondent may be directed to provide the connection with the condition that at the time of release of new connection the complainant should file an affidavit that if MCD takes any action against the encroached property then OP should be at liberty to disconnect the supply of the complainant.
