Complaint No. 66/2019

The complainant states that, the respondent company told him to demolish the construction on ground floor and terrace of the premises, which he did, but still he is unable to get the meters energised. Therefore he has requested the forum to direct the respondent company for immediate release of the domestic connections.

Notice was issued to both the parties to appear before the Forum on 22.11.19. None was present on behalf of the complainant. Sh Imran Siddiqi, authorized representative of the respondent company stated that the complainant had been issued demand notices after resolving the issue with him, to energise his connections. He has also placed on record the demand notices issued to the complainant and their receipts.

Further, bare perusal of this demand notices and their receipts show that the complainant has already paid the same. The A.R. of the company has also placed on record a letter by the complainant, duly signed by him, requesting for withdrawal of his case as his grievance has been addressed satisfactorily.

Since the complainant had moved an application requesting for withdrawal of the complaint, we find it prudent to dispose off this case as withdrawn.

No order as to the cost. A copy of this order be sent to both the parties and file be consigned to record room thereafter.

The order is issued under the seal of CGRF.
